Sir,

In reply to your docket o. Fl. 1467 dated the 4th December 1903 forwarding for report 9 applications for house building advances, I have the honor to submit in original like seperate and detailed reports made by the Treasury Assistant Commissioner on the Marginally noted applications, after his personal inspection of the houses, to build which the advance has now been applied for.

The applications are herewith returned.

I have the honor to be,

Sir,

Your most obedient servant,

Sd. Narasinga Rao Purnaiya.

For Deputy Commissioner.

Report on the inspection of the house of J. Raja Rao Vakeel 3d Battalion Mysore Infantry, situated in Basavangudi Extension site No 99 & 100.

Sl 3

I inspected this house on the morning of the 20th December 1903 and the District Subovenseer accompanied me to aid me in the valuation of the house and other technical matters.

From the Treasury Office records it is seen that the first advance has been fully paid up, the original advance being Rs 180/-.

The valuation of the house as it stand at present is nearly Rs 1000/- according to the estimation of the Subovenseer and myself.

The original and approved plan was not submitted.

The proposals of the owner with regard to the improvements of his building are the construction of Kitchen, bath room, latrine, and plastering the main building.

The District Subovenseer thinks that these could be effected at a cost of Rs 300/-

The proposals of the owner seem to be of primary importance for the due completion of his house.

The second advance may in my

opinion be made as he seems to have utilized his original advance and something more for the construction of the house, and I therefore submit that the second advance may be sanctioned.
